reheating instructions

if you have collected your turkey at the appointed time it is ready to serve! However, you need to reheat, we recommend you to do so within two (2) hours of collection.

below are some instructions

1. pre heat oven to 180C
2. remove the turkey from foil and place on a baking tray
3. place the turkey in the pre heated oven for 15 – 20 minutes until piping hot
4. before removing the turkey, re-heat the trimmings for 5 – 10 minutes in the oven
5. place the gravy inside a microwave and heat on full power for one (1) minute or until piping hot
6. carve turkey with a sharp – knife
7. serve immediately with gravy and trimmings

I, hereby agree and confirm that I have read the terms and conditions
